

UKEPLANLEGGER FOR LÆRERE
2020-2021

INFORMASJON OG TIPS TIL 40 SIDER

Her kommer dine «egne» sider og på disse 40 første sidene lager du din «egen tekst». Du sender oss en pdf fil eller en word fil med den teksten og de bilder og tabeller du vil ha inn, kun 1 (en) fil og ikke mange enkeltstående filer, da vi ikke kan vite hverken rekkefølge eller har kapasitet til å sette dette sammen.

Bildene må være så høyoppløselige som mulig, dvs at de bildene du finner på web normalt sett ikke er gode nok for trykk (de blir uklare). Husk opphavsrettigheten og at du ikke bruker bilder du ikke har lov til.

Pass på at du selv legger inn stående eller liggende tekst og bilder og husk vanlig margbredde på dokumentet slik at alt vises korrekt.

Tips for sidene er å legge inn PERSONALHÅNDBOK, da har alle den alltid med. Årshjul og planer dere arbeider med. Ansattlister og annen nyttig info. Eksempel på utfyllelse av skjema for hendelser.

De sidene dere ikke benytter blir notatsider (blanke) slik at sidehenvisningene blir riktige for alle.

KALENDER

I selve kalenderen er alle felt åpne og her fyller du inn møteavtaler, hendelser, aktiviteter etc... Husk å lagre dette etterhvert og sende oss den siste versjonen av kalenderen.

OMSLAG

Skriv inn skolenavn på fremsiden og evt nettstedadresse og informasjon på baksiden av omslaget. Logo kan legges inn og sendes ved de andre 2 filene.

INNSENDING AV FILER

1. Egne sider (word eller pdf)
2. Kalender (pdf)
3. Evt bilder

Alt sendes til: firmapost@infovestforlag.no
