

VEKEPLANLEGGAR FOR LÆRARAR
2020-2021

INFORMASJON OG TIPS TIL 40 SIDER

Her kjem dine «eigne» sider og på desse 40 første sidene lagar du din «eigen tekst». Du sender oss ei pdf-fil eller ei word-fil med den teksten og dei bileta og tabellane du vil ha inn, kun 1 (ei) fil og ikkje mange enkeltstående filer, da vi ikkje kan vite verken rekkefølge eller har kapasitet til å sette dette saman.

Bileta må vere så høgoppløyslege som mogleg, dvs at dei bileta du finn på web normalt sett ikkje er gode nok for trykk (dei blir uklare). Hugs opphavsrettane og at du ikkje nyttar bilete du ikkje har lov til.

Pass på at du sjølv legg inn ståande eller liggande tekst og bilete og hugs vanleg margbredde på dokumentet slik at alt visest korrekt.

Tips for sidene er å legge inn PERSONALHANDBOK, da har alle den alltid med. Årshjul og planar de arbeider med. Tilsettlister og annan nyttig info. Eksempel på utfylling av skjema for hendingar

Dei sidene de ikkje nyttar blir notatsider (blanke) slik at sidehenvisningane blir rette for alle.

KALENDAR

I sjølve kalendaren er alle felt opne og her fyller du inn møteavtalar, hendingar, aktivitetar osv... Hugs å lagre dette etterkvart og send oss den siste versjonen av kalendaren.

OMSLAG

Skriv inn skulen sitt namn på framsida og evt. nettstadsadresse og informasjon på baksida av omslaget. Logo kan leggast inn og sendest med dei andre 2 filene.

INNSENDING AV FILER

1. Eigne sider (word eller pdf)
2. Kalendar (pdf)
3. Evt. bilete

Alt sendest til: firmapost@infovestforlag.no
